

VERCO

Luna tables

The modern, lightweight Luna table range is available with a choice of versatile top shapes and sizes with either Silver RAL 9006 or Chrome slim-line legs which heighten the sense of light and space of this flexible table collection.

Tops are available with a choice of MFC, laminate or real wood veneer finishes in circular, square, link, double barrel or rectangular shapes, providing a complete family of occasional, conference and meeting tables.

The veneer and laminate top finishes are complimented by a reverse chamfer edge detail, creating a slim elegant top detail, typical of this stylish collection.

Wood Veneer

Edge Detail

Laminate

MFC

Modern in style, flexible and versatile in use, the lightweight Luna table range is available with a wide choice of top shapes and sizes, in real wood veneer, laminate or MFC finishes with a reverse chamfered or square edge detail.

Available in either Silver RAL 9006 or Polished Chrome finish, the slim-line legs heighten the sense of light and space and provide excellent leg room under the table.

Choose Luna, you'll be over the moon.
