

VERCO Office Furniture Limited

ENVIRONMENTAL POLICY

VERCO Office Furniture Limited is engaged in the manufacture of high quality chair and cabinet furniture, our main processes include upholstery, woodcutting and assembly. The company was established in 1912 and has been manufacturing on this site since 1932.

Verco Office Furniture Ltd is committed to the issue of securing a better environment for society and is fully committed to managing its own environmental impacts. The Company has drawn its environmental policy and has embarked upon a management programme to contain its environmental impacts and progressively secure improvement in its environmental performance.

Systems will be established to identify all relevant environmental legislation so as to ensure that we meet all resulting requirements. The company will seek to prevent pollution through a continual process designed to identify, evaluate and, where ever possible, reduce the environmental impact of our operations on the environment.

The Company is committed to working towards certification to the International Standard BS EN ISO 14001: 1996 International Environmental Management Systems.

The company will give consideration during the design stage of furniture manufacture to using materials that will reduce the environmental impact of our products throughout their life cycle.

Waste production will be reduced wherever possible and where it is unavoidable it will be evaluated for its reuse or it recycling potential.

We recognize the environmental impact of Volatile Organic Compounds (VOC'S) that are contained in some of our processes and we are working with the manufacturers of such compounds to reduce their use and their impact on the environment.

Communication on environmental matters will be encouraged through the provision of training, suggestions for improved environmental performance will be encouraged.

We have identified both short and long term objectives for each of the company's environmental issues, through which we aim to achieve continual environmental improvement.

VERCO shall make this environmental policy and its objectives publicly available to any interested party upon request.
