The popular box-it coffee table range has been extended to include upholstered bases, in combination with an elegant 18mm thick MFC table top from the standard Verco MFC finishes.

The bases are available in two sizes 400mm diam and 600mm diam and the tops can be specified either an inset or an overhanging top to suit. The bases are priced in fabric Band A fabric, but can be specified in alternative fabric bands by using the uplift pricing shown.
